

CB Storyworks is an independent nonfiction press founded in 2023 in South Perth, Western Australia. It publishes practical, research-backed books in two areas: the health and wellbeing experiences that shape women's lives, written by Hannah P Cartwright, and high-stakes industrial procurement and sustainable energy, written by Carina N Beger. Six titles are in print, available worldwide.

## THE AUTHORS

### Hannah P Cartwright

Practical nonfiction for women in hard seasons: new motherhood, divorce, chronic illness, and the leap from school into work. Four books in print.

### Carina N Beger

Field guides for procurement professionals in mining, energy and heavy industry, drawing on two decades in fuels, chemicals, explosives and critical-materials procurement. Two books in print.
